

\$DONATE TO HELP ELECT DANIEL COBBLE TO U.S. REPRESENTATIVE, LOUISVILLE DISTRICT 3

Polling #1 in a Historic Election, an Administrative Revolution (Let's get him on TV)

As you might expect by *challenging the system* to get to Washington, the *stars* are **not yet** aligned for me to accept \$\$donations by debit cards. The FEC (Fed. Election Comm.), banks, and complex technology are giving me a hard time. So for now I have to do it *old school* by accepting **Cashier's checks** and

Money Orders (from \$1 to \$3,500 per person). – The good news is the media is indicating that I am again polling #1 to win the May 19 primary race.

By Jefferson County sending me to Washington, I'll have the **national platform** to challenge the inequitable policies and bad laws that threaten us. Those who know my work know I'm identifying problems at the local and State levels that define what's needed in Washington. **Here's a few:** Stopping the Fed's three antitrust violations (**the weak dollar**) will start the **tax-revenue windfall** that will stream \$millions into Jefferson County to force Metro Louisville to reduce taxes. Wall Street's theft of the *Ocean of cash* **owes no-fee public childcare** to parents. And "parent-teacher centric schools" will reduce costs while ensuring successful public schools.

To avoid the courts and publicity, Gov't officials will choose to negotiate to reverse obviously bad policies, etc. And hence, my Washington strategy is 3-prong: **the courts -> NEGOTIATE <- publicity.**

Besides ending the weak dollar, **as seen on the next-page are my comments to the NRA**, our challenge in stopping the global elites' **other constant attacks** on Americans. So please make Cashier's checks and Money Orders payable to: **Daniel Cobble (for election campaign)**

The Global Elites. I hope the NRA realizes that it's the global elites who are the real enemies of The People\America. Their latest attacks include: 1) standing down with the Israeli IDF to allow the preventable Oct. 7 attack; 2) mass shootings by CIA & FBI operatives; 3) the murder of Charlie Kirk; 4) the COVID pandemic with 5) its toxic mRNA vaccines; 6) spraying chemtrails (chemicals) in the skies that's killing-off insects\animals; 7) the 2026 Super Bowl Bad Bunny halftime show; 8) to BLIND policy makers (inside and outside of Gov't), Donald Trump is restricting the "distribution of data" collected by Gov't; and 9) the illegal war with Iran. Hence, I want to see The People "armed to teeth" until we figure out how to contain the global elites (the Rothchilds, Bill Gates, Larry Page, JP Morgan family, Israeli Mafia, Etc, Etc).

For, absent the global elites, we will have relative peace in the world with lesser needs for guns. (Start by removing Trump and ending the CIA, FBI, CDC, FDA, & military \$aid to Israel.)

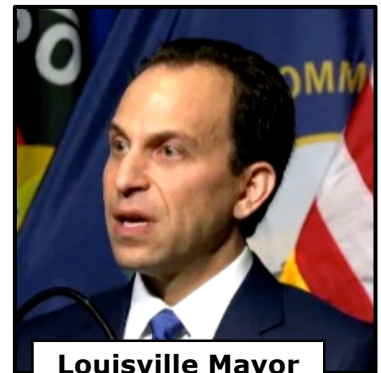

With their murder of Americans, my candidacy informs the public of the global elites, a reason I believe I am once again polling #1 to win the May 19 primary race. See attached my campaign flyer and Feb. 10 statement to the Jefferson County Republican Party. As well, I will distribute this NRA survey to The People. -- Stop using my tax dollars for killing people.

NRA, thank you for this opportunity. C/c: DC, For public distribution.

FOOTNOTE: The above Item 2 killings include the ongoing murders in Louisville, KY's West End that fit the MO of the CIA & FBI collaborating with LMPD. I.e., 1) authorities are not giving information to the public; 2) not identifying deceased victims; 3) not identifying the weapon[-types]; 4) not arresting suspects; 5) no autopsy \ shooter ballistics reports; and 6) shooters \ perpetrators are Gov't operatives. See attached my Oct. 16, 2025 Statement and "Evidentiary letter" at the Metro Council meeting given to each council member (also see online).

Trading Humanity for Dollars:

The October 16 evidence of **Mayor Greenberg** presiding over killings in Louisville's West End to force African Americans to leave their homes. It calls for the resignations of Greenberg & Metro Council President Brent Ackerson.
